I'm eager to get in touch with you after reading one of your papers entitled "Technology Assisted Knowledge Agriculture for Sustainable Development Goals". It's an interesting and innovative paper which contributes to the existing knowledge. Have you continued working in this area? If so, would you please consider submitting your future unpublished works to our journal?

Now we are calling for manuscripts for the **Vol. 8, No. 3, August 2019** issue. Submission deadline: **July 1, 2019**. You may see the journal's profile at <http://sar.ccsenet.org> and submit online. You may also e-mail submissions to sar@ccsenet.org.

We are also requesting you to give it a wider publicity by circulating this email to faculty members, research scholars of your institute. Thanks for your time and help.
