Web of Science | Publons

Your Web of Science ResearcherID is now on Publons

Dear Aprajita Srivastava,

Congratulations, your upgraded Web of Science ResearcherID is now available on Publons, part of the Web of Science Group.

With this upgrade you now get all the benefits of Web of Science, ResearcherID, and Publons in one place:

ResearcherID
Your ResearcherID
J-6809-2018
Number of publications
9
Most recent publication
Simulation based Performanc...
2018

- Add your publications, track your citations, and manage/improve your publication records across Web of Science
• Plus with Publons, you can build a more complete profile of your research impact including your peer review and editorial history, with plenty more to come.

Go to your profile now to see your ResearcherID on Publons, including any claimed publications, your citation counts from the Web of Science Core Collection, and a list of other publications that might belong to you.

## Manage my Web of Science ResearcherID

---

### About Web of Science Group

Web of Science Group organizes the world's research information to enable researchers, scientists, corporations, publishers and governments to accelerate the pace of research. It is powered by *Web of Science* – the world's largest publisher-neutral citation index and research intelligence platform. Its many well-known brands also include Converis, EndNote, Kopernio, Publons, ScholarOne and the Institute for Scientific Information (ISI).

 A Clarivate Analytics company
