Dear Aprajita,**Greetings from Nutraceuticals 2019!**

I came across your contribution entitled “**Technology Assisted Knowledge Agriculture for Sustainable Development Goals**”, published in the Journal and thought your expertise would be an excellent fit for “**World congress on Advanced Nutraceuticals and Functional Foods**” to be held at **London, UK** from **July15-16,2019**. As such, I would like to invite you to be a speaker at this esteemed event and share your research based on your current research interests.

Nutraceuticals 2019 is organized with the theme “***Emphasizing latest innovations in Nutraceuticals and Functional Foods***”. It is a specialized platform for you to launch and manage your Research Topic, allowing you to handle every aspect of your presentation as easily as possible. You can manage all your communications related to your research expertise from this platform in a simple, straightforward manner, with the full support of the Organizing Committee.

Nutraceuticals 2019 is an excellent platform to discuss critically important research and to intensify collaborations and scientific research.

To know more about the conference, revert back to us.

We promise to keep up with the quality and expectations bestowed upon us.
Looking forward to hear from you.
